“ Today, I was deeply saddened to learn of Ann\u2019s passing on December 16. I\u2019m a customer of Mercedes Benz, and Ann was my \u201cgo to\u201d service rep whenever I needed help with my car. Ann always picked up the phone and guided me through any situation. She would always chat about her children and grandchildren, whom she was very proud of. I will miss Ann\u2019s smile and cheerful attitude. My sincere condolences to the entire family, Regards, Pat Keene
