

Barbara Harrington (Franklin)

September 14, 1946 - December 1, 2022

Barb was the cherished wife of Allan Harrington. Loving sister to Shirley, Sharon, Carol, Patricia. Sister-in-law to Jim Harrington and the late Paul Harrington.

Barb was grateful for all her family and friends and will be remembered by her nieces, nephews, great-nieces, and great-nephews. She was a special aunt to Rob.

Barb was an avid reader and a Blue Jays fan.

She and Al loved to travel and their love of the Blues music took them on many legendary Rhythm&Blues Cruises.

Greatest appreciation and thank you to the health care providers of the Peterborough Regional Health Centre.

If desired, donations may be made to the Autism Society.

A Celebration of Life will be held at a later date.

“ My heart broke when I heard the news of the loss of my Aunt Barb\u2019s passing. I will always remember her contagious laughter and her infectious smile and how she knew how to make anyone feel loved and welcome. The last time I visited her and uncle Allan in Peterborough was probably the sweetest visit I had with them since our visit in Campbellford. Aunt Barb, please tell my Pops (Paul Harrington Sr) I love and miss him every day and of course Grandma & Grandpa too! I am sure you are all having the best party in Heaven playing some amazing music. I love you and will always remember how kind you were to me every time I saw you and uncle Allan. RIP \u2764\u2764

“ I have been so fortunate to have a special sister like Barb. I shall never forget the great times and wonderful memories we shared together. Barb was loving, caring and always there for family. She was so brave and strong throughout her final days with us, and her spirit will not be forgotten. She shall be forever in my heart and on my mind. Thank you for being my sister! Love Carol
