Barry Arthur Spencer

March 14 1947 - July 5 2022

It is with great sadness that the family of Barry announces his passing. Barry passed away peacefully and comfortably in hospital after a sudden and brief illness while alongside his wife and children. He was the best husband ever to his loving wife of 40 years, Jill. He is also survived by his daughter Amanda Scott (James) and son Barry (Stephanie). Grandpa to Jacob and Abby. Brother to Carl (deceased), (Shirley), Neil (deceased), (Lois), Arlene Hudspeth (Murray). Barry couldn't stay retired, off the golf course, away from his fishing rod or out of the cookie jar. Barry was also known as The Answer Man and could talk for hours with anybody. It is an understatement how deeply he will be missed.

A Celebration of Life to be held later in the fall. Thank you to the PRHC for their excellent care and compassion. In lieu of flowers, please consider donations on behalf of Barry to the SickKids Foundation. Online condolences may be left at [CommunityAlternative.ca](http://CommunityAlternative.ca)

“ It has saddened us deeply to learn of Barry’s passing. Just a few days ago, we were taking a family road trip with our daughter and her family when we shared some memories of Barry, Jill and their two beautiful children when they were in Binbrook. Many questions were asked from our grandchildren about family connections. Our deepest condolences to Jill, Arlene and all family members. He will be missed but never forgotten. Wayne, Sue, Greg and Bonnie Thomas.

“ I was saddened to read of Barry’s passing. Thoughts of him brought back old memories of a little boy in the early fifties. We both attended a country one-room schoolhouse for our first three years of school. When school was out, we would go down to the creek between the school and his home, and catch tadpoles or eat wild strawberries, or jump the back fence of the school yard and explore forbidden territory. It was a different time and I am so glad, as I’m sure Barry was, that we caught the end of it. After the opening of a new central school, our schooldays changed. I have often wondered what became of Barry, and hoped I would bump into him again as an adult, but it seems he moved to the Peterborough area and became a beloved husband and father. It seems, too, that his personality remained as I remember. I extend sincere sympathy to his family and to Arlene - his pretty older sister.
