“ *Fond memories of Bethel as Lara & Cal's Mom. She let us have a fun fair in the front yard with Carolyn Barcroft. Bethel was such a kind & thoughtful lady. She used to visit my Mom Ruth Lang-Arsenault & they traded books. Just an all round great lady we were blessed to know as we grew up in Lakehurst. Thinking of you Lara, Cal, Coons / Calvert family. Sincere Condolences.* \u2764
