

## Bob Lowry

May 28, 1947 - January 21, 2021

Lowry, Robert “Bob” John, went home to be with his Lord, peacefully at home in the arms of his loving wife Anna. He was 73 years of age. Beloved husband to Anna Lowry (nee Locklin) for 52 years. Loving father to Donna Lee (Sandy) and Shannon Hechenberger (Christian). Proud grandfather to Braedon, Tyler, Tristyn, Anna, Calla, and Adele. Dearly loved brother to Bonnie Lowry (deceased), Rick Lowry (Amanda), Randy Lowry (deceased), Kathy Scott (Brad) and David Lowry (Catherine).

Bob was raised on Stoney Lake, lived in Oshawa for 50 years and retired in Lakefield. He served people in the car business for more than 40 years.

Bob will be fondly remembered as a man who loved deeply. He loved his wife from the time they first danced as teens at the Sunset Pavilion at Crowe's Landing. He loved his two daughters fiercely and embraced their husbands as if his sons. He loved his grandchildren with joy, pride and awe. He loved his brothers and sisters, nieces, and nephews. He loved his friends, of old and new, many of those being good men who walked with him as close as brothers. And most of all, he loved the Lord.

Bob had a smile that lit up a room and eyes that smiled equally as bright. He was always interested in hearing your story and would be quick to offer help. He laughed often as he told his stories and listened to ours. He loved

spending time on the water whether boating, at the family cottage or the beach. He and Anna enjoyed each other's company and were wonderful travel companions. Music was always in him. He loved to sing and used music to encourage others. He promoted many gospel benefit concerts in the Oshawa area and enjoyed singing at church, seniors' residences, weddings and memorials.

We're certain that he sings over us now in the presence of the Lord and is enjoying the company of those he loved that passed on before him. We look forward to holding a celebration of Bob's life at a future date when we can be together once again and sing with joy.

We would like to express a special thank you to the staff of Peterborough Regional Health Centre, Pastor Ben and the Gilmour Church Family as well as the many wonderful friends and family who are supporting us at this time. Arrangements have been entrusted to Community Alternative Funeral Home.

If desired, donations in memory of Bob can be made to the PRHC Foundation- Cardiac Care or to the Gilmour Memorial Baptist Church Building Fund through the funeral home or online, and condolences to the family may be made online [www.CommunityAlternative.ca](http://www.CommunityAlternative.ca)

“ The Lowery family, Donna and I would like to offer our condolences to your family. Bob was in our minds for a long time from first being offered a cold one in the garage as neighbors 25 years ago. I learned a lot about Anna and the girls during our frequent visits. A true person of gold, always friendly and quick to help.

“ Dear Anna and Family,I was deeply saddened to hear of Bob's passing. I had the pleasure of working with Bob in the car industry for a lot of years. He was always the same. a very easy going man with a caring compassionate nature and the was a look alike to my Uncle Earl which we always joked about. I loved to listen to his story telling , He could tell a story like no other and the smiles and the jokes I hold lots of wonderful memories of Bob.I will never forget too how He encouraged my heart when I lost my own Mother just a few short years ago,My prayer is that you will find much comfort and strength in the lord as you grieve your Beloved Bob, such a Loving Husband , Father and Grandfather. The wonderful message and hope of the gospel is that for those you die in Christ, death has lost it's sting and has been replaced with unending joy in the Lord. Continue to looking to Jesus , the God of all comfort and hope.My Deepest Heartfelt Condolences,Nancy Dair (nee Moore)

“ Anna and Family: Our family has so many great memories of time spent together over the years, Bob and Anna I consider our extended family! I have so many great memories at the cottage boating, water skiing, ski bobbing etc when Donna, Shannon and us were kids. Bob treated us like family, was always interested in catching up when ever we ran into him. I miss those cottage days and I will miss his sense of humour, but will always remember him. I am grateful for all those times. I will miss his laugh. I remember on our wedding day he joked at how different I looked compared to the look I sported at the cottage! HA HA! The drowned rat look on our wedding day I couldn't pull off I told him. May the family find comfort from sharing of memories and knowing our thoughts and prayers are with all of you. Hugs to you all!
