“ We were sorry to hear about Bronson. We bought some greeting cards with his great art work. We even kept a few of them, we liked them so much. Our sincere condolences to Steve and family. Rest easy Bronson. Doug Ramsay and John Mitchell

“ I'm sorry to hear that Bronson has left us. I met Bronson and Steve many years ago, when -as a member of Spirit of the Hills- I helped create a poster promoting his art at the Campbellford Library. I had the pleasure of photographing much of Bronson's art and purchased a lovely Newfoundland laundry scene, which still has a place of prominence in my home. He'll be missed. Stay well, Steve.
