“ *Dad, you may be gone but you will never be forgotten. I miss you so much already, the pain is sometimes unbearable but I remember the great times we had together and start to feel better. You\u2019ll always be remembered for your love of music and being a loving father/grandpa. You could make anyone laugh. When I think of you I see you sitting in the morning sun listening to your favourite radio songs, your happy place. I love you.*
