“ My condolences to a family that was near and dear to me in my younger years. Many days and nights spent on Wallace Point Road home with Carole, Pete, Steve, and Laurie. A very hospitable and fun family to be with. To Steve, a close friend all through high school, my sadness for you in losing your mother. I trust that you will remember many great memories you have of her. As I now know how difficult it is to lose a parent (my father this past May) I will be thinking of you and your family and praying for you during these challenging days of grief ahead. Jim Welch
