In Loving Memory of Baby Conrad Angelina Barton

With heavy hearts, we share that our Baby Conrad Angelina Barton, beloved daughter of Dena and Adam Barton, cherished little sister to Braelee, beloved grand daughter and great grand daughter was born sleeping on January 27, 2025, at Peterborough Regional Health Centre. She was perfect in every way, except for her heart. Though our time with her was brief, her impact will be everlasting.

A memorial will be held at Ashburnham Funeral Home in Peterborough on February 7th from 6:00 to 8:00 PM to honour and remember our precious Conrad.

Plants can be sent to the funeral home or donations in Conrad's honor can be made to support the Peterborough Regional Health Centre (PRHC) Foundation.
