“ I can't go camping, hiking, fishing or even cook bacon without thinking of grandpa. My sibling, cousins and I are forever changed by the lessons and wisdom he has given to us over the years and he will live in forever through us! Thank you grandpa for the fun time, good memories and lessons that I can now pass along. I love you!

“ Great memories as a young child included the rituals of a grandparent sleepover! I think of waking up to the smell of bacon and Grandpa flipping pancakes, an adventure or two, like an unexpected hot air balloon ride, our regular trip to the DQ, capped off with a movie (or sometimes curling or Rita MacNeil) and Grandpa inevitably falling asleep in his chair! Grandpa always snuck us the extra cookie, scoop of sugar on the Cheerios, or 5 bucks!
