“ *We were blessed for many years to have the entire Potipco family as a second family to our own. Dan's brother Frank and I met in 1982 and formed a band in Saudi Arabia. Upon returning to Canada, we have remained friends ever since and spent many great times with Danny and his family in Peterborough. Dan also lived not far from us in Whitby for many years but the parties always took place in Peterborough. Danny was always the life of the party and would sit beside Frank and I while we were playing guitars and jumping in with his often 'off tune' voice with almost every song! He was the first to arrive and yes, the last to leave. One of the family's favorite songs was 'Danny Boy' and his father Dan loved to sing it as well. We lost a good friend far too soon and our condolences to the entire Potipco family. R.I.P Dan and may your suffering be over and you find the peace you deserve. P.S. 'Don't let the dogs out'! “ Our heart and prayers are with all of you during this very difficult time. If there\u2019s one thing I know for sure Dan is rocking out to his music and singing as loud possible. He sure loved his music and that is our fondest memory during the hot summer days. Rest easy our friend. \u2764\u207c\u207e\u207c
