“ I have so many great memories of you dad, they were great times and I keep reliving them in my dreams. My favorite is our last ride together it was pouring down rain and me, Allan, Vince and Dean are all sitting in the rain and were all just dealing with it because its part of the fun and then there's you pulling out your yellow rain jacket. Making us start laughing and asking why dad are you a princess lol \ud83d\ude06. Forever in my heart
