

## David Lumley

March 15, 1941 - December 22, 2023

David George Lumley died at the age of 82, December 22, 2023, peacefully at home with his wife, Jennifer by his side. He is fondly remembered by his children Mary-Rose and David (partner), Scott and Lisa (spouse), James and Aurora (spouse), and Susanne; his grandchildren, Liam, Sara-May, Roland, Claire and Emily.

Born in Kent, England David was the son of George and Margaret Lumley and the brother of Mary and Eva Lumley. At the age of 10 David was developing a strong work ethic by helping out at his parents convenience store in Seven Oaks. He emigrated to Canada at the age of fifteen and later settled down into married life with his wife, Jennifer in 1964. Always interested in new adventures, he dabbled in breeding exotic fish, harvesting sap from his sugar bush and producing maple syrup. He enjoyed learning about the newest technologies and was excited to get something new when it became available. He liked high end audio, his music loud, and the occasional dance with his wife in the living room! Once retired he stayed busy maintaining his countryside acreage, playing cards with his neighbours and traveling out west to visit family. He was always willing to share his vast knowledge on multiple subjects when asked. He was a family man at heart and cared deeply for those among him.
