

David Mitchell

August 2, 1951 - January 19, 2021

MITCHELL, DAVID GERALD

It is with great sadness that we announce that David passed away on January 19, 2021 in his 70th year with his children by his side. A loving and supportive father to Robyn (Stephen), Alastair, and Morgan. Adoring Gramps to Mabel and Henry. Marilyn will fondly remember the years they shared raising their children. Predeceased by his parents Alastair and June he leaves behind his loving brothers Ronald and Peter (Frank), cousins Gregory (Abigail) and Mark and uncle Gerald (Valerie). Proud uncle to Cameron (Jennifer) and Shana (Paul). There were no limits to the love David had for his family and he battled courageously to stay with us. He will be remembered for his kindness, sense of humour, and empathy. If desired, donations may be made to the Heart and Stroke Foundation.
