“ My sincere condolences, Heather, to you & the family. Moon was an important part of my sobriety journey. Many conversations we had, he certainly helped keep me on the straight & narrow. His sense of humor was second to none. He will be missed. God Speed my dear friend.

“ *My condolences to the family. I worked with Mooner in 1978 at Outboard Marine at a summer job.. He had a great personality and always shared a few laughs when we would run into each other many years later. He was very proud of his personal accomplishments. RIP my friend Gord Lake*
