

## Donna Johnson (Campbell)

August 29, 1931 - September 5, 2025

JOHNSON, Donna

Peacefully on Friday September 5, 2025 just days after her 94th birthday at Hospice Peterborough. Beloved mother of Karen (Brian) Kilpatrick, Paula (Richard) Wolfram, Scott Johnson and Lisa (Terry) Johnson. Cherished grandmother of Jean, Ben, Tilly, Hannah, Olivia, Aron and great grandmother of Ivy, Lewis and Henry. Dear sister of Ross (Linda) Campbell and aunt of Jason and Josh. Will be sadly missed by Stacey, a special friend and care provider for many years.

Donna grew up in Toronto. She spent many years in Don Mills where she raised her family and played lots of bridge. Donna was an avid knitter. She retired from an administrative position at Hallmark Cards. Her last years were spent at The Regency of Lakefield where she met many new friends and enjoyed participating in many of the organized activities, especially bingo.

Family would like to thank the staff at The Regency, Dr's Williams, Morelli and Mallory and the wonderful staff of both the PRHC palliative unit and Hospice Peterborough for their kindness, compassion and gentle care.

There will be no service at this time.

The family would appreciate donations, if desired, to go to Hospice Peterborough or The Alzheimer's Society of Peterborough, Kawartha Lakes, Northumberland and Haliburton.
