Dorothy “Jean” Claydon

November 3rd, 1942 - September 2, 2025

It is with sadness that we announce the passing of Dorothy “Jean” Claydon, beloved wife of the late Terry Claydon. Jean was the mother of four children and also a stepmother, each of whom was a part of her life’s journey in different ways.

She shared many years of marriage with her husband Terry, and together they built a life filled with memories. Jean was known for her strong will and lived life on her own terms.

Jean was a sister to Catharine Seyffert and Bill Seyffert, with whom she shared many family ties and memories.

In her later years, Jean stayed most connected with her son Cory, with whom she shared regular conversations and a meaningful bond.

Cremation has taken place, and as per her wishes, no service will be held. Jean is now reunited with her husband Terry, and her family takes comfort in knowing they are together again. She will be remembered by her family and those who were part of her life’s story.
