“ Such a huge loss for the family, but what an ocean of wonderful memories for all that knew her. Never a nasty word or complaint over the 35+ years we were privileged to know her. Greatly enjoyed our summer golf and card games as well as our winter snowmobiling. She always laughed no matter the circumstance and was always offering a hug. The world needs more Dot Jordisons, a lot more. Remembering her will always make us smile. Gord and Wendy Jamison
