It is with heavy hearts we announce the passing of Dorothy at PRHC, Saturday, June 26.

Dorothy is survived by her daughter, Janice Windrem (Terry), Scott Osborn (Wendy) and Leslie Thomas (Grant). Her eight grandchildren Sarah, Gabe, Mary, Karmen, Hilary, Reid, Scott and Alex will hold cherished memories of Nana forever in their hearts.

Mom was a compassionate, kind person who was most joyful when surrounded by her friends and family. She was the eternal optimist who saw the good in all and was forever offering her support to anyone who needed it.

The family is very thankful for the exceptional care she received at PRHC. Aquamation has taken place and the family will gather at a time in the near future to celebrate Dorothy's life. Condolences to the family may be made through the funeral home or online. www.CommunityAlternative.ca

“ Hi Dorothy's Family,What a loss Dorothy's passing is to our world. She was a glow worm and a sparkler who made our world a better place to be. She was unquestionably an angel-in-waiting. I met Dorothy when we took the Hospice Training course away back then and I had heard much about her by being a squash playing buddy of Craig. I believe the DNA of her high achieving family was largely due to the remarkable set of skills Dorothy passed on to each of them. I always felt blessed to have been Craig's friend and having gotten to know other members of the family I feel such an attachment to each of you. Craig has been in my daily prayers since his passing and now there will be another family member in those prayers, too. One of Dorothy's greatest assets was she KNEW that hope is NOT a noun--it is a verb. No wonder she was the beautiful head of such a fantabulous family.
