

Edward Briggs

August 25, 1950 - January 2, 2023

BRIGGS, Edward

Ted Briggs passed away on January 2, 2023, at Fairhaven LTC in Peterborough. Ted is survived by his wife Patti, daughter Heather, sons Michael (Hayley), Ryan, and granddaughter Willa. Ted grew up in Burlington and attended Western University where he graduated with a degree in Economics. He co-founded Lower Lakes Diving in 1973 and for the next 25 years, Ted worked in underwater construction across Ontario, eventually making Peterborough his home. His dedication and hard work culminated in a reputation of excellence in his field. He mentored many young divers, along the way. Ted will be fondly remembered by all who knew him. In lieu of flowers, the family would appreciate a donation to Brock Mission in Peterborough. (www.brockmission.ca/donate).
