

Elizabeth Ball (Strojwons)

September 27, 1954 - October 5, 2022

Elizabeth (Liz) Ball left this world suddenly and peacefully on October 5, 2022, at the age of 68. Born to Dimitro and Barbara on September 27, 1954, she was their only daughter, and sister to the late Edward and Robert. Liz had two children together with Stephen Ball: Laura and Diana. She was a loving aunt to her nieces, Suzanne and Anna, and her nephews, Greg and Paul.

After completing school, Liz went on to work at General Motors for 30 years. She was a proud union member, and had many fond memories and friendships from her time working on the line and in the offices. After retiring from GM, Liz spent time travelling the world, particularly enjoying cruises that took her to places with a lot of history, such as Greece and Egypt. In time, she settled into the life of a "snowbird", spending her winters in Florida, and her summers trailering in Peterborough. Whether in Florida or Ontario, Liz loved to swim, and could be found at the pool nearly every day with her friends. But more than travelling and swimming, Liz loved animals, having had many pets throughout her life. She had loved her cats Tabitha, Suzy and Cleo, and her dog, Daisy. Daisy was her constant companion for the last 14 years, and brought much love and joy to her life. Liz also loved to cook, mastering not only the traditional Ukrainian dishes she grew up with, but also everything from homemade pizza to curry dishes. She knew the importance of quality ingredients, and took joy in cultivating a garden that supplied her with fresh herbs and vegetables, and even some catnip and grasses for her cats.

In accordance with her wishes, no service will be held. Please hold your memories of Liz close to your heart.

“ Dear Laura and Diane Ball. I haven't know your mother that lang but in 2018 I had her in my home before she went to Florida. We had a good time and got to know her a bit better. Then in 2019 then in 2020 before she found her place in Brooklin. That time we really had a great time. We talked on the phone when she had come back again and when she moved to Brooklin we had some nice talks on the telephone. I had called her on Sept. 27th 2022 and she said that it was her birthday and I never even knew it was her birthday. So that was the last time I had talked to her. She came up in mind but as I got busy I never got to call her for Christmas and New Years. Then I called her on Jan. 8th and got her answering machine. So I called Marcy Gomes to see if she heard from her but then she found out that she passed away on Oct. 5th. 2022. My condolences to you both. Love Amy.

“ I am very sorry to hear the news of Liz passing away. I first met Liz over 50 years ago, when we were both attending high school. We would walk the same route for part of the way. We became very good friends and I got to know both her and her family well. Since hearing the news yesterday, I've been thinking back over many memories, spanning the last 50 years. We experienced so many things together, both happy and sad. I was in her wedding party. After getting married, I moved to BC and over the years we lost touch. Liz was a fun loving and generous friend and I remember the pride she had in her little girls. She is gone much too soon. Rest In Peace my old friend.

“ It's very sad to hear that Liz left us. We have not been in contact for a lot of years but we always had a very good time together when we met during our visits to Canada. She always has been very loving, caring and hospitable. It is very sad that she didn't get to spend more time with her family and friends and to enjoy life. Nadine, Dagmar, Bernd (Germany).
