“ Dear Cindy and Bill - I am so sorry to hear of your mom\u2019s passing. I have not seen her since your dad\u2019s funeral. That was a long time ago. I could relate to the card playing in her obituary. Your mom, dad, Bob and myself played cards for so many years. I think we played euchre. She was quite a card shark. Betty was a bridesmaid at our wedding in 1955. She looked so lovely in her pale blue dress. Bob and I spent many weekends in Peterborough playing cards. What fun we had. Your mom had a nice long life and enjoyed all of it. I remember your aunt Shirl and Uncle Reg way back when. The Nicholls were a wonderful family. I send along my Deepest Sympathy. Betty will never be forgotten . She will remain in your hearts forever. Much Love Aunt Doris
