“ We are so very saddened by the loss of Liz. We will treasure the many laughs that we shared over coffee and wonderful memories made on our trips together. She was a kind, gentle soul who touched everyone who had the privilege of spending time with her. She will be greatly missed by all. Our thoughts and heart are with the family at this time. “ My heart is broken, I'm so sorry for your family's loss. This world will not be the same without her. She was the sweetest, and kindest person I've ever had the privilege of knowing. I will forever hold her beautiful soul in my heart and memories. God bless Liz, rest now in peace and I pray there will be a day I'm lucky enough to see your smile again. 🙏
