“ *I was simply blessed to have known her.. We would meet for lunch in the X-ray room, giggling and laughing. Or go to one of the nearby lunch spots, or shopping for a deal. Erin and Murph made sure I had everything when I was pregnant, even knitting me a special snuggly and offering a cradle. When work ended we spoke on the phone, her laugh was infectious. Even near the end...We would text or FaceTime, she always had that positive attitude and that easy heartfelt laugh. I will miss her..Rest in Peace my friend*
