Ernest Vennor

June 28, 1937 – September 4, 2025

It is with deep sadness that we announce the passing of Ernest Vennor on September 4, 2025, at the age of 88.

Ernest lived a life full of curiosity, peace, and appreciation for the world around him. He found joy in reading, spending time at the cottage, and immersing himself in the outdoors. He especially loved walking and hiking, as well as boating along the Trent Severn Waterways. The call of the loons was one of his favorite sounds, symbolizing the quiet beauty he cherished throughout his life.

Ernest will be remembered for his love of nature, his gentle spirit, and the calm presence he brought to all who knew him. His memory will live on in the stories shared, the paths walked, and the waters he so enjoyed.

The family extends heartfelt gratitude to all who supported Ernest throughout his later years. There will be a graveside service October 4, 2025 2:00pm at the Lakefield Cemetery 1262 Buckhorn Road Lakefield

“ *My memory of Uncle Ernie is a fleeting one. Perhaps once around the age of 10, an apartment visit. My faded recollection is that of a funny and fun loving guy. In my family growing up, we were really close to our paternal Kennedy side relatives (the Smiths). This was due to proximity living in Newmarket, as much as anything else. Reading here of Ernie's love for nature & hiking, I very much regret now not knowing him better.*
