“ Gary was a favorite teammate of mine at Lederle when I joined his District in 1981 until about 1990. I have many fond memories of Gary. He was also happy to engage in conversation! He was insightful on how to approach a customer on the benefits of our products. 2 years ago I caught up with him by telephone for the first time since he left Dorchester. We had an upbeat telephone chat early November while he was living at Norwood. He very much appreciated my call. He was a wonderful Lederle guy and was very unique with his pipe smoking in those early years. My condolences to Gail and the family during this difficult time. May Gary rest in peace. Photo was in 1981, my first year with the team. I am not in the photo as I took the picture. Left to Right, Helmut Malmiste, Sy Slough (seated), Gary Smale, Jack Sando (behind), Doug Evans, Mac Cross, Jim Greir, Tim Esmail, Bob England (manager). Taken at Holiday Inn, Airport Rd, Toronto.
