“ I've spent many nights at your place as a kid hanging out with Randy, and I cherish those days greatly. I remember going out of our way to walk to Treats so you could give us free Slush Puppies, though I'm not sure you were really allowed to do that, but you did it anyways. You were a beautiful artistic soul, and I'll miss you greatly. I'm always going to hold on to that last image of you in my head forever. You were healthy, you were happy, and that last hug from you before I left Ontario means so so much more. Thank you for being a wonderful Aunt. RIP Aunt Jo, I love you, I miss you, until we meet again.
