“ I don't remember much about Grant the first time I met him as I was only 3 years old. In the following 18 months I'm sure I was in his company many times as he lived 2 doors down from my Aunt on Overture Rd. My parents had immigrated to Canada but went back to Scotland so the next time I saw him was in 1973. As teenagers going into our twenties we hung out with our friends and families swimming in Grant's pool. His mom and dad always made everyone feel welcome. Grant also always made us feel welcome when he moved to his grandmother's home in Peterborough. Grant and Tobbi's wedding was a blast. It was like being on a Hawaiian island. If you were there you know what I mean. It was fun visiting at the first house Grant built as we would play hockey on the ice at the back of the house. Tobbi loved to ride the 4 wheelers. Although there were several years I lost contact with the family, when I did reconnect I was always welcomed. I am grateful I was able to talk with him the day before his passing. I will miss him. My heart goes out to Tobbi, Bobbi Jo, Richelle and all of his family and friends. My heartfelt condolences, Sylvia Clifford.
