

Gregory "Greg" Archer

May 16, 1957 - November 18, 2025

It's with great sadness that I am announcing that Greg has passed away due to a heart attack. His beloved dog Duke by his side at the time.

Greg was an enthusiast of many sports, hunting, camping in his trailer or motorhome. Loved hitting the road for a day on his motor bike.

His love for the Pontiac Trans Ams were unmatched by anyone I know.

He is survived by his brother Wayne, sisters Wendy and Gail

He is sadly missed by his friend and confident Joe Tomaz. Not blood brothers but sometimes blood is not needed.

Cousins, nieces, and nephews have wonderful memories as well.

If you wish to donate to an animal shelter of your choice it would be greatly appreciated.
