Heather Lea Donnelly

March 17, 1958 - December 12, 2025

Heather passed away at her home in Peterborough at the age of 67. A true fighter, she had beat cancer twice before in her life, when it was found for a third time, it had exhausted Heather. She loved her son and left us knowing that they would be okay. She is survived by her husband Steve French; sons Josh McCallen, Jake McCallen; grandchildren Daniel McCallen, Pearl McCallen and Tyler Majer. Heather worked for the Federal Government and loved her job. Heather was a kind person who always wanted to help out the people less fortunate. Her memories live on for everything she did for others. She was loved by all who knew her and she will be greatly missed. May God rest her soul. In keeping with Heather's wishes, cremation has take place.
