“ We are all so blessed to have know Jim. He always had a smile and story, asking how were things and helping when and where he could. Sometimes just sharing some of his wisdom. A man of many years he was very wise. He was simply a delight to be around, so positive and happy. We will really miss him. Love to all his family Jackson Mayes and Gail Micklethwaite

“ My sincere condolences to Chris and family. Jim was an amazing man and a great neighbour. He never passed up on a chance to stop and chat if he was riding by on his atv and seen me out in the yard. He will certainly be missed by all whom had the honour of knowing him. Thinking of his family at this difficult time and saying a prayer.\ud83d\ude14\ud83d\ude4f

“ We are so sad to have had our last conversations with Jim. He was a lovely man who was always up for a chat, eager to hear how you were and catch you up on the neighbourhood news. We loved seeing him go by on his ATV, or car or brand new tractor. Miss him already, but are comforted knowing he and Barb are together again, maybe enjoying some freshly baked bread. “ I have to say that although Jim was my uncle I did not know him. I have seen a few photos and heard a couple stories over the years. The Breedon family was large and over time we spread out and moved to various parts of the country and lost touch. My dad was Roy Breedon who passed away in 1977. Seeing this photo of Jim warms my heart, he looks like a man (Uncle) I should have taken the time to know. Condolences from my family to yours.
