“ My sincere condolences to Leslie, Don, Leslie and Jonathon and to Janice's brothers and sisters and in-laws and nieces and nephews. I started working with Janice as a new grad in 1980, unsure of myself Janice took me under her wing, we worked together for 40 years moving from different units in the hospital, we had been through a lot together. Janice was a well respected nurse and had mentored many nursing students with patients and kindness. Janice always talked fondly of her family and the furry ones as well, (Don and Leslie's dogs) I feel like I know you all. The last few conversations I had with Janice she told me what a wonderful Christmas she had and she was feeling better she was so happy. Janice kind and caring heart extended to helping out her neighbours in Hastings. I will miss having lunch with Janice and even more her phone calls to let me know how things are going.
