

Jeffrey Butson

October 19, 1981 - November 18, 2025

It is with the heaviest of hearts that we share the passing of Jeffrey Ted Butson, on November 18, 2025, at the age of 44.

Born on October 19, 1981 to proud parents, Ted and Catherine Butson. Loving brother to Jennifer and brother-in-law to Gregory Beldam. As a proud 'funcle' to Waverley and Montgomery Beldam, they will grow up always knowing how much Uncle Jeff loved them.

Jeff was a graduate of Adam Scott CVI and RCC College of Technology, and made a career as a petroleum mechanic, following in his Dad's footsteps. While he played soccer throughout his childhood, his first passion was always golf. He even built a Par 3 in his backyard so he could play any time he wanted (fair to say he was a meticulous groundskeeper). He enjoyed watching the Toronto Blue Jays, especially in the World Series this year, and has cheered on the Toronto Raptors since he was a child. Other passions included searching online for vintage sports items and petroliana – anything that would spark his sense of nostalgia and local history.

Known for his quick wit, sense of humour, and laid back attitude, Jeff will be dearly missed by his close group of friends. He will also be remembered by many aunts, uncles, and cousins.

We will forever miss his presence and his sparkling Hyland blue eyes, however we take comfort that he is now with one of his greatest supporters, Grandma Hyland (d. February 2025). Rest easy Jeff...we love you!

Please join us, for a Celebration of Life Reception, on Sunday, May 3, 2026 from 1:00 p.m. to 4:00 p.m. at Baxter Creek Golf Club, 1702 Cedar Valley Road, Fraserville, Ontario.
