February 10, 1950 - July 5, 2024

Jennifer Lynn Warner (nee Trout)
February 10, 1950 - July 5th, 2024

It is with a tremendous sense of loss that we announce the passing of our beloved mother, grandmother, great-grandmother, sister, aunt, & friend. Jennifer was taken from us before her time, after a devastating series of strokes just before her 73rd birthday that she was ultimately not able to recover from. Jennifer spent the last year of her life at Glen Hill Terrace in Whitby close to family, & we would like to extend our sincere gratitude to the staff

that were so kind to our mum in her last days, especially Audrey, Hannah, Rosie and Alice who were always so quick to comfort & care for both her & us each day, as well as Lydia & Leesa who were with us in the end, helping to send her off with kindness & respect.

Jennifer was the oldest of the seven Trout siblings, born & raised in Niagara Falls, Ontario, before eventually settling in the Toronto area to raise her own family. She spent many years teaching youth swimming lessons, including working as the Water Safety Instructor & Swim Team Coach at Sir Oliver Mowat CI, where her own kids attended high school. Jennifer worked hard for many years to earn a double degree from the University of Toronto in Anthropology & the Classics, as well as her teaching degree from York

University. She had an incredible work ethic and entrepreneurial spirit, investing many years in building a successful Amway business on top of her other endeavours. She taught many grades during her career but landed on her favourite, Kindergarten, at Cliffside PS in Toronto, before retiring to spend more time with her family. Since 2013 Jennifer enjoyed spending winters in Florida with Lynn and family, and summers in Ontario with Tracy and family. An avid reader & Euchre player, Jennifer enjoyed her clubs, her church, & her time with family.

Beloved daughter of the late Jack & Jill Trout. Loving & devoted mother to her daughters, Lynn (Robert), & Tracy (Rick). Cherished Nanny to her six grandchildren Hope (Blake), Trystan (Toria), Jordan (Steven), Faith (Austin), Regan (Connell), & Devan, as well as her 2 great-grandchildren, Juliet & Alexander. Jennifer was a loving big sister to her siblings Geoff (Marilyn), her late twin brothers Norm & Chris (Sue), Ross (Margaret), Kathy (Derrick), & Jill (Jim) & a devoted aunt to her many nieces & nephews. A special note for Suzanne who was a dear friend to our mum, especially over this last year, and a tremendous support for Tracy in terms of caregiving respite.

Jennifer's true loves were her family & her fandoms. Animated conversations were sure to ensue around anything Star Trek, Lord of the Rings, Dr. Who, or Harry Potter. A Disney family to the core, her last days before her stroke were spent running around Fort Wilderness and the Disney parks with her kids, grandkids & great-grandkids doing what she loved most. We are all so grateful for that. Our Mum was a bonus mom to so many over the years... she was very loved & will be dearly missed.

For us, she was simply our Mommy. Forever & always. Boop on the nose.
Have fun Momma.
'Til we meet again...

A Celebration of Life will be held on Friday, August 16th, 2024, in Niagara Falls, ON, at the Firemen's Hall from 12 PM to 3 PM. Light refreshments will be served, and tributes from family will be made at approximately 1:30 PM.

In lieu of flowers, donations can be made in Jennifer's name to Diabetes Canada.

“ We are so sorry to hear of the passing of your Mom, Lynn and Tracy. Our sympathy goes out to you and your families. We have happy memories of time spent swimming and learning to scuba dive and sharing friendship. She was a strong independent woman who accomplished a lot. “ Tracy and Lynn, and your family as well as Jenn's siblings, cousins and friends. My sincerest condolences on the passing of your mom. Jenn was a wonderful person. I always enjoyed being around her, she was at times like a foster mom/older sister to me -- listening, giving advice. She was quick to smile and give a kind word. She could make me laugh with a good story. I remember Jenn, just being there with us all those years ago, out and about (Zack's), at your home, at the cottage. She is apart of many of my memories as a young adult. I can appreciate the grief you are experiencing, having recently experienced it myself. There is no substitute for a mother, she is the person that us ties us to our past experiences, a mother shapes our behaviours, and is the foundation of the person we ultimately become. As we age our mothers become our friends and confidant It is in this knowledge that our mom's are always with us. Sending big hugs and lots of love.

“ I am so sorry for your loss. What a wonderful tribute to your mom, Tracy! It was a great testament to the woman she was. We will forever cherish all the wonderful memories and time spent together. She always made us feel loved the way she lit up when we got to see each other and gave us an extended, lingering hug, it was just so genuine and extremely special. She loved talking Star Trek with Kenny and although he wasn't on Facebook, she always messaged me interesting articles, funny memes, and anything she saw to share with him and to let us know she was thinking about us. She was so thoughtful that way. I will forever cherish our Dirty Santa Christmas parties where she would participate in trying to pick the best wine out for Rob only to have it stolen over and over. I never saw someone have to choose so many over and over, year after year, lol. It became a running gag. She was so missed by all of us this past year. She couldn't have chosen two more wonderful and devoted daughters as you and Lynn. She loved living with and spending time with you. Because of you she had the opportunity to spend her life around the ones who gave her so much joy. And you were both there when she needed you most and by her side advocating for her since her stroke. And oh how she loved spending time with her grandkids!! They were the light of her life. and even our kids too who she was Nanny to as well. She was always right on in the action with them, singing, dancing, and playing. Sometimes it was hard to tell her apart from them as she blended right in!! The last few years before her stroke, it almost looked like she was reversing in age!!! She was beautiful, strong, loving, kind and amazing. She will be greatly missed. I am happy that she is at peace now in the arms of Christ but at the same time saddened that we will all be missing her sweet presence. Your entire family is in our thoughts & prayers!! I can feel your heartbreak. We love you! and to Jennifer Trout Warner- I think I'd miss you even if we'd never met! But I'm so thankful we did!!

“ Your mom (Mom Warner) was a smart, kind and loving woman. So many of us looked up to her and needed her guidance during our young adult years. She always listened with no judgment and offered her wisdom. She welcomed me as a part of the family when mine retired to Coburg. I loved living with all of you Jennifer Trout Warner , Tracy Warner and Lynn McFaul . We shared so many laughs , and tears and played more Games of euchre then one might think humanly possible. Like all the Warner woman she was incredibly knowledgeable and always up for a good chat. May she fly high , be free and at peace with the lord.
