Jessie (Linton) Barta

May 25, 1928 - March 2, 2023

Passed after a long, torturous but very hard-fought battle with Alzheimer's disease. A fall resulting in hip surgery was too much for her to bear and took her from us three weeks later.

She was the strongest and most loving woman who will be forever missed and forever loved as a Nana to Eric Schnegg (Laura), Mother to Cheryl Schnegg (David), Sister to Lawrence Linton and as an Aunt to many nieces and nephews. Predeceased by her Mother and Father Robert and Edith Linton, her Sisters Olive, Cleila and June and Brothers, Frank, Vernal, Charlie and George.

We know your life on earth was troubled and only you could know the pain – go rest high on that mountain - your work on earth is done– wish we could see the angels faces when they hear your sweet voice sing.

We know that you are at peace now and held in the greatest of love and comforted by all who went before you...till we meet again!

As expressions of sympathy, donations to The St. Joseph's At Fleming

Foundation and The Alzheimer's Society would be appreciated.
