“ Oh James. What can I say? You were like a father to me at work. You taught me everything I know about being a better person. Everyday you made me laugh. We had a friendship that of father and son and I'll always be grateful for that. You made me look at things in a different way. A better way. You helped me and that is truly divine. Hopefully ya didn't burst into flames when ya got to the gates as ya always said lol I'll see ya again one day my friend. Save me a seat at your table we have a box of wine to drink! Love ya buddy and you are missed always.

“*Condolences to Jimmy's family. So young to have left this world and we remain here with many questions of why. It has been a long time since Grade One at St. Joseph's School in Carbonear, NL. I remember Jimmy well but I have two memories that stand out and I have thought and spoke about many times over the years. In Grade one I sat behind your Dad. He always had a brush cut - military style for sure. I loved to touch it. lol I remember Jimmy saying, "Miss! Christine is pulling on my hair!!!" I was so sure I was in biggest trouble of my young life. The teacher looked at your Dad and said, "What hair, Jimmy? What hair?" Although there were a few giggles Jimmy just took it in stride. Another time while at school I was feeling unwell and cold. When I told my teacher she asked Jimmy to let me wear his windbreaker and he did! He didn't hesitate and I was over the moon having gotten to wear that blue checked jacket because it belonged to my crush. I remember that time very fondly! I remember that jacket to this day. I think the greatest thing that can be said about a person is that they will be missed. And I know you are Jim and I know you have left many loving and pleasant memories for family and friends. Rest in peace eternal Jimmy! May perpetual light shine upon you! Christine (Butt) Baldwin Carbonear, NL*

“ Nicole, Jimmy, Dylan & Sophia, I am a first cousin of your dad/grandpa, although we didn't have the opportunity to meet. I am the daughter of your dad's Aunt Alice. I am so sorry for the sadness you feel. We will keep your family in our prayers. Bill, Mary, Sue & Rob, I am so sorry you have lost your brother, even though the Pumphrey reunion in heaven is full of joy. There is a story that as we watch a loved one pass, as though on a ship that is pulling away from the shore, we can't see on the other side, the smiles and joy of those waiting on the other shore, to welcome them home. I can't help but be reminded of how precious time is. I have been blessed to connect with your beautiful branch of the Pumphrey tree in recent years. I hope and pray we will reconnect before too long and I can give you a hug. We are sending love and hope you can feel it from NS. God bless you all. Love, Michelle

“ Condolences to : Nicole, Jimmy and grandchildren , Mary, Sue, Billy , Robert and families. With great sadness, heavy hearts our family is trying to put Jimmy's sudden death in perspective and wonder why at such a young age God called him home. Well, our family, namely: Nanny Pumphrey, Uncle Eddy, Uncle Jerry, Aunt Anna, Aunt Stella and Aunt Marg. were privileged to spend a lot of previous time with Mary, Jimmy, Sue, Billy & Robert when they spent time with us in Carbonear. We really enjoyed them all with their own special ways and different personalities, and unique talents. Jimmy was very smart and fun loving but always managed to get himself into his share of mischief , but when asked about it he always had good reasons for it all, soon receiving pardon from Nanny Pumphrey with no punishment. I think we would be remiss if we didn't mention the day Jim & Bill decided to take Uncle Will's new care, and try out their driving skills, with Robert, Mary & Sue aboard. Needless to say, they only got to the first fence. Jimmy quickly explained it jumped out of gear. Our thoughts and prayers are with the family at this very sad time. Jimmy may you rest in peace.
