“ Just heard recently about Joan\u2019s passing! My sincere condolences to everyone in the family. Joan and I go way back! We were quite close as our children grew up together and Steve and Rollie were pals. I remember when her Mom lived up the street and her brother lived in the court! How life changes and we lost touch! We were always going to get together and get caught up! I saw her sometime ago in the parking lot of Michaels but she was too far away to speak! I always thought of her every time I passed by her house on Parkhill! Regrets, I have a few but too late now! May good memories and close friends support you as you journey through the coming months and years! Barb Pearce and family.

“ *I was so sorry to hear of Joan's death. I met Joan at my parents' home in Peterborough. She was always cheerful and kind. Joan was a friend to my mother, especially after my father's death. Sending my sincere condolences for your loss. Diane Rose*
