Jolanta Kiprenko

April 7, 1944 - April 12, 2025

It is with deep sorrow that we announce the passing of Jolanta Kiprenko, 81, on April 12th 2025 at Lakeridge Health Oshawa Hospital.

Jolanta passed peacefully after a brief but courageous battle with cancer. Her family was by her side throughout her final days. We are at peace to know that she is no longer suffering.

Beloved Wife of 60 years to Bogdan Kiprenko. Loving Mom to Dorota Kiprenko, Adam Kiprenko and his wife Margaret Kiprenko. Cherished Grandmother of Sabrina Bedjera, Mary Kiprenko and Matthew Kiprenko. In her final days, she said "I have lived a good, long life" and she left us with many wonderful memories we will always cherish.

Jolanta loved the sunshine, her bright lipstick, her flowers, bargain hunting and socializing with her family and friends.

She will be deeply missed by all who knew her and remembered for her charm, kindness and generosity.

Jolanta was known for her engaging and vibrant personality, easy going nature and intense zest for life.

In keeping with Jolanta's wishes, a cremation has taken place and private family arrangements have been made.

A Celebration of Life is being planned, date not yet determined.
