

## Justin McCarthy O'Brien

May 21, 1937 - July 14, 2024

Justin McCarthy O'Brien, 87, of Peterborough passed away peacefully at Peterborough Regional Health Centre on July 14, 2024.

Born May 21, 1937, he was the son of the late Justin McCarthy O'Brien Senior (M.D.), and Camilla, and brother of the late Michael John "Jack".

He will continue to be loved always by his children, Erin, Shannon and Fraser and their mother, Paulette, his granddaughters, Noelle and Olivia, and his cherished sister, Justine.

Justin found great joy in spending time with his many friends who loved him for his adventurous spirit and love for life. His passion for waterskiing and boating brought him countless memories with family and friends. After a long and dedicated career at Outboard Marine and Metro News, he enjoyed a fulfilling retirement with the last few years being at Kawartha Heights Retirement Living, where he continued to enrich the lives of those around him. Thank you to Lori Birrell for making this transition comfortable and treating him like family.

A special thank you to all the nurses and staff at PRHC B6 for providing comfort and care in his final months.

Justin will be deeply missed by his family, friends and all who knew him.
