

Kirk Chambo

July 2, 1989 - May 17, 2021

CHAMBO, Kirk Theodore

Left us peacefully at the young age of 31 on Monday, May 17th, 2021 after his two year battle with Sarcoma Cancer. Kirk is forever loved by his family: mother, Sue Burgess, step-dad, Jim Burgess, sister, Robyn Chambo (Ryan Gunn), brother, Keith Chambo, and father, Al Chambo. He will be extremely missed by his cousin/ best friend Cory Campbell (Olivia Campbell) and will always be Uncle Kirky to nieces, Clara and Elsie. Kirk is missed by all of his loving aunts, uncles, and cousins.

Kirk had the very special privilege of being able to call so many people friends, including his co-workers at Quaker. Kirk will be remembered by all for his humility, incredible spirit and strength. Kirk has a special soul; he had the unique ability to touch every single person he met. In his final days in Hospice Peterborough, a loving nurse said, "I wish I could bottle up some Kirk and sprinkle a little bit of him on everyone." His handsome smile and gentle, easy-going way was what we all admired the most about him. He never lost for a second his charisma and quick wit, which gave us all such joy. Kirk had a lifetime love of sports. We all had the pleasure of watching his incredible talent as he proudly represented Peterborough Tigers baseball and Power basketball.

We want to send out a special thanks to Dr. Christopher Blake, the palliative care team, Hospice Peterborough and all of his amazing nurses. Each and every one of them played their own special part in helping us guide him home. It was ultimately their overwhelming compassion and kindness that gave him so much peace. And with that, Kirk has left an immense hole in our lives that can never be filled again. We will miss him dearly and anyone who would like to do a dedicated donation in his memory, can do so at Hospice Peterborough.

A Celebration of Kirk's Life to be held at a later date.

“ Janet Holland Dear Sue , and to the entire Chambo family. We are so sorry for your loss. Our family have so many wonderful memories of Kirk some very distant with family gatherings, Darren remembering special occasions ,and more recent the Peterborough Tigers baseball team. The year we remember the most was when Al coached the team. We enjoyed the connection of family within the team ,and off the field, it was personal. Kirk was the most easy going guy with a smile that could light up third base and the pitching mound. He was the go to guy for comfort and non judgement. A very special person. Bob Nick, Darren, Behn .

“ To the entire Chambo family, I'm thinking of you all every single day. I only had the pleasure of meeting Kirk a few times, and I'll never forget the time he came to our university party and ran the beer pong table. He was so much fun and I wish I could have been around him more. I'll be forever thankful to Kirk for treating my best friend Ryan like family and for helping shape his amazing siblings into the kind, funny, and strong people they are today. Robyn is one of the strongest woman I know, doing anything for the people she loves. Sue, I pray that the pain of losing one of your baby boys lessens over time. I love you guys! He will never be forgotten!! - Trav

“ We met Kirk when we were buying flooring for our home at
Whelan\u2019s. Kirk worked there. He left an indelible impression
on us as a young person who was a true gentleman in every sense

“ Shocked and saddened to hear this news. Kirk was a beauty - a fun, friendly and sociable guy who always had a joke to crack. We played on a couple basketball teams together at SPSS and for the PTBO Saints/Power. He was such a knowledgeable guy on and off the court, the "cool guy" on the team I always looked to impress. He even taught me how to play poker way back in grade 9 - a game I still love to play. All of my thoughts and condolences to Kirk's family and close friends. He was a fantastic guy who had an energy to lift up those around him. He will be missed.

“ Kirk was a bright light as a business student at Fleming. He was a pleasure to have in our midst, smart, funny, friendly and compassionate. He always made us smile. “ I am shocked and so very saddened to learn of Kirk's illness and passing. I had the pleasure of meeting Kirk through Fleming College; I was his Program Coordinator for his Business diploma and again when he studied Project Management. We became close over those years, and I considered him a friend. I can say, without hesitation, that Kirk was one of my all-time favourite students. I'm sending you prayers for healing and peace in knowing that Kirk was loved by so many people. He was a special person - heaven has gained a brilliant soul. With sincere condolences, Jenny Olauson
