

## Laurier Leclerc

December 20, 1936 - September 17, 2022

LECLERC, Laurier Louis

We are sad to announce that our dad, Laurier Leclerc passed away at the age of 85, on Saturday September 17, 2022. He was at Hospice Peterborough with family by his side.

Laurier was born in 1936, in a small town called St Bernard in the province of Quebec. He left home at an early age and eventually settled in Scarborough Ontario where he lived most of his life. Later, he discovered Buckhorn and the Kawartha Lakes area where he built a cottage in the early 70's.

Loved and missed by his children Michelle Thornton (Billy), Daniel Leclerc (Jackie), Paul Leclerc (Julie), his 8 grandchildren and 9 great grandchildren with an additional 2 on the way. He will also be missed by many nephews, nieces, cousins and friends.

Dad will be remembered as a master "MacGyver" and known for making use of whatever was available to improve, repair or simply make something more efficient. Nothing was wasted. He had a wonderful sense of humour, and a love of music, gardening, reading and tinkering around. He had many adventures and we enjoyed listening to his stories. Most of all, Dad loved his family. He always said if his family was happy, he was happy.

Dad was also a proud member of the Ironworkers union local 721 for over 65 years.

Aquamation has taken place and a celebration of life will be held at a later date. To leave condolences please visit [www.ashburnhamfuneral.ca](http://www.ashburnhamfuneral.ca)

Memorial donations can be made in dad's honour to Hospice Peterborough.

We would like to thank the doctors, nurses and staff at PRHC, specifically, units 4B, the emergency department, and the palliative care unit.

Thank you to Dr Morelli and the staff at Hospice Peterborough. We are so grateful for the compassionate care dad received.

Dad, we will miss you very much, and we will always remember your motto of "Never Give Up"
