

## Lisa Pitre (Kingston)

June 3, 1969 - May 27, 2024

On May 27, 2024, surrounded by loved ones, Lisa Marie Pitre passed away into God's graces after her tough battle with cirrhosis and pneumonia (and you better believe her stubborn self did not give up easily). A warrior throughout life she was 54 years young, born June 3, 1969. She is survived by many loving individuals, including her common-law spouse, Steven Major; her sons, Andrew and Matthew; her daughter, Amanda; their father, Omer Pitre; her step-daughter, Courtney; and her grandbabies, Carter, Abel, Brooklynn, Brody, Bella-Rose, Dean, Ryley, Addison, and Jaxon.

She was a loving, carefree, stubborn, fun-loving woman who would tell you where to put it and how to put it there. There is definitely a large void that will never be filled without her here with us.

We are currently working on memorial plans and will update that information as soon as we have it.
