“ Oh \u201cAuguste\u201d, I just heard the news of Ludwigs passing... such a great family & business. Sadly, just informed DAC that my mother Judith \u201cJudy\u201d passed in late Feb! Ludwig & I, shared the same birthday and I will always remember him, his family and our Bratwurst BBQ ,s, as well as all of our friends and racing family! Love to you & your\u2019s... “ Car racing kept Ludwig and me in touch for 61 years, I will miss him. We have not talked for a while. The Martinsville stockcar race this weekend reminded me of Ludwig and me. Driving back from Sebring in 1961, we had a misshap (crash) near Martinsville and had to take the bus back to Toronto the rest of the way.

“ Ludwig will always be responsible for giving me my life here in Canada. I am so grateful to have had the opportunity to work for a man who had the knowledge, dedication and expertise that has helped me in my career as a Porsche mechanic. We will never forget Ludwig, he was a true Legend. Auguste & Penny Lecourt

“ Ludwig Heimrath was simply a kid who loved cars and people. I hope he has a real fast GT-2 Porsche in Heaven. I truly miss him. RIP. Morris Chrobotek

“ I had the pleasure to attend a few racing events at Mosport during the 70's, the CanAm series and the other assorted Sport car classes being foremost in my mind, and to see Ludwig on the track was always a pleasure. In my mind arguably the best Canadian 4 wheel racer before Gilles Villeneuve came on the scene. But what I will remember most about Ludwig was how he cared for and cared about my step mother Christel Heinzler in her last months of her life in 2019, there he was a true friend to our family.

“ Ludwig was a very special individual and I am honored to have had him as a track buddy over the years. He was tough, candid, honest and always supportive of his friends and fellow racers at the track. It will be tough to be at Mosport without him there. Thankfully for the trackies that knew Ludwig, there will always be a little of him in all of us! We will all miss his smile. My sincerest condolences to the Heimrath family. Roberto Sabato

“ *So sorry to hear Ludwig will not race again. He was a character - larger than life. It was impossible not to enjoy time with him - I only met him later in life and he was crusty but he was full of mischief! A great Canadian legend is gone. RIP Porsche Man.*
