“ I have know Marilyn all my life! She was a few years younger than I. In the past few years we have reconnected and became great friends!!! We chatted everyday on messenger!! She was a loyal friend and a great friend to me when Ivan passed away almost two years ago. She checked in on me and made sure I was doing okay. We had a lot of fun online with our messages. If I made her laugh that was a big day for me !!! She was hilarious!! Never met anyone quite like her!! We also had some serious conversations She was a very intelligent lady who gave great advice We also discussed making sure we were ready to leave this earth when it was our time. I know from our talks that she is in the presence of Jesus!! No more pain or sickness or sadness!! I will miss her a lot. I already have! Nice to have been able to talk online with her daughters who I have never met but would love to meet soon!! In the sweet by and by we shall meet on that beautiful shore!!\u2764\u2764\u2764\u2764
