“ We loved making the drive up to Peterborough and visiting Aunty Marion and Uncle George. We have so many lovely memories exploring their property and learning about their animals and gardens. Aunty Marion, always a gracious host, filling our bellies with yummy potato salad and sweets. I will miss her smile and quiet kindness. In 2019 I was comforted knowing my Dad (Happy) will be giving her a booming welcome and giant hug up in heaven. Rest easy now Aunty Marion. Love, Sarah and Sophie Raynor
