“ Dear Cathie, Jim, Christine, Tom, John and all family members, we send our condolences on the death of my dear sister Marylou. Although we were ten years apart we were close friends and I was in her wedding party, she was my matron of honour. She and Johnny were always welcoming us into their home which was full of happy children and a variety of dogs and cats. When they moved to Ida she was happiest mucking out the stalls for her horses and having lots of space for her family to grow up. We were there often and the boys enjoyed pony rides and snowmobiles, always a fun time for everyone. We will miss her but know she is in a better place and lived her life well loved by all who knew her, Bob and Pat
