“ Sending my sincere condolences to Janice and Lori and Family. So sorry to just be reading now. Memories of Mary Jane and her beloved Don (always Mr. and Mrs. Montgomery to me) are still etched in my memory as a teenager throughout my high school years in Lakefield. She was always so welcoming as Janice's friends visited. Always listening, a tad quiet, and then her cute little smile would break out with a soft laugh as she listened to our conversations. A lovely lady indeed. Janice and Lori, you have so much to be thankful for in your Mother. Thinking of you and keeping all in my prayers. Sincerely, Annie Hansford (Sikma)

“ We are so sorry to hear of the passing of your Mom. You girls were the apples of her eye. We were so lucky to have your Mom & Dad as neighbors on Edward Street. There are so many memories of your Mom over those years but the two that come to mind instantly are the love she had for her family and those incredible "geranium bushes" she nurtured each year. She was loved by many and we could always see that thru all of the lives and groups she was a part of. She was always busy. May you all find comfort knowing she once again is with her first love...your Dad the love of her life. Sending our condolences at this sad time.\u2764
