I have not seen him for years but as soon as I saw his picture tonight; it brought tears to my eyes but also some incredible fun times came flowing into my memories. The energy and love that he always brought to our family was unreal! He was a gift to all that knew him. My sincerest condolences to you and yours.

“ I didn't know Michael for long time, but what I do know is that Michael had a gift of love and kindness that he spread to people he met. It has been said that to be a success in life you should leave this world a better place than when you entered this world. I believe Michael touched a lot of lives in a positive way. My heart felt condolences to Tony and your family. God Bless You All. Gary Dale

“ Heartfelt condolences to his family. It was a pleasure to have had the opportunity to get to know Mike and have him be a part of my life. He was always up for a game of Family Feud or Who wants to be a Millionaire. His sense of humour was contagious. He will be missed by all that knew him. Thinking of you Tony and Val during this difficult time. Maureen Crawford
