“ To Kevin, Heather and families of Mindy

*So sorry to hear of the passing of Mindy
Mindy was a great friend to many and will be missed.
She loved her family, and was a beautiful Christian, who loved her church and people there.
She was a friend to me and will not be forgotten.
Just know she is with the Lord now and that you all can meet again someday.*

To Kevin, Heather, and family. So sorry to hear of Mindy's passing. I have great memories of our get togethers at Christine's- especially on Good Friday for fish and brewis, or to celebrate our Birthdays at Red Lobster. She was a good friend. Cherish the memories. May you rest in God's comfort and peace. Joan Hague

To Kevin, Heather and family, I am so sorry for your loss. We worked together. She had great insight and was dedicated to her Clients. I learned alot from her. We were friends and had great conversations, full of laughter and humor. Mindy loved her family so very much. We got together at her home before I moved to Alberta. Heather was little at the time and nice to be around. I will cherish Mindy's friendship and will miss her.

Mindy leaves behind a lifetime of helping others through her hard work and devotion. Her only child Heather is a testament to Mindy's love and dedication to gentle thoughtfulness as she embodies the same principles in her own life and work. A life well done Mindy!

I spent my last moments with my mom recalling different special times I had with her. From the times she would read to me, to when we would on occasion go on road trips together. I'm glad I got to spend time with her for many months before she passed. I love you mom, and wish you peace, love, and eternal rest.
