

## Muriel Breedon (Hunter)

December 17, 1942 - September 21, 2024

Muriel Breedon has passed away at the age of 81. Muriel was loved by her children James Breedon (Peg) Suzanne Breedon Rick Breedon (Jodi) Mark Breedon (Leesa). Grandchildren Krystal Breedon (Andrew), Ashley Breedon (Eric), Andrew Breedon (Katie), Matthew Breedon (Mette), Samantha Breedon, Mitchell Breedon (Fallon). Great-grandchildren Gage Breedon, Riley Barron, Austin Preston, Grayce Preston and Ryker George.

The garden is where Muriel felt most at home. She loved to take care of all her plants and flowers and she had many inside and out. When she was not tending to her plants and flowers she loved to put together jigsaw puzzles and she was very good at it. We were all amazed at the speed in which her puzzles would be completed. Muriel was also crafty and would make really nice unusual things for all of her children and grandchildren. In her later years she spent a lot of time with her granddaughter Krystal baking, talking laughing and generally enjoying each other's company.

Muriel will be forever missed by all those who loved her. Rest in Peace, my Mom, my Nan, my Gramma and my Friend.

Our family would like to thank all the nurses at Ross Memorial for their kindness and care. In lieu of flowers a donation in Muriel's name can be made to the Ross Memorial Palliative Care Unit.
